

The Ronald McDonald House of Detroit is a non-profit agency that provides a home away from home for families that have a child seeking medical treatment from the Children's Hospital of Michigan. Every year, thousands of families are provided a safe place to stay, a warm meal and social programs to help them through trying times while staying at the House. On average, families stay five days, but some have stayed for as long as 1 year or more.

PROCEEDS FROM THE EVENT WILL BENEFIT  
THE FAMILIES OF CRITICALLY ILL CHILDREN AT  
CHILDREN'S HOSPITAL OF MICHIGAN.
